- Vegetable Pho Liquid Concentrated Broth Base - Halal Certif...

Our vegetable pho concentrate creates a smooth, fragrant broth with delicate layers of traditional flavors—just add water, noodles, and your favorite garnishes. Ideal as the base for a plant-based pho or to elevate the flavor of soups, stir-fries, and more.

PREPARATION & COOKING SUGGESTIONS

Simply dispense from the spout and mix with water for a rich, flavorful broth foundation. Use 2 teaspoons of concentrate per 1 cup of water for small batches, or 2/3 cup concentrate per 4 quarts of water for a 1-gallon yield. For larger batches, follow the same ratio to scale up. The full container yields approximately 28 gallons of prepared broth. For added flavor, the concentrate can also be used at full strength to enhance sauces, soups, stews, or other back-of-house recipes.

SERVING SUGGESTIONS

Ready to use, liquid format with built-in pour spout for clean, controlled measuring and zero cross-contamination risk. Shelf-stable even after opening - keep at the ready back-of-house.
