SEE & TASTE *The Difference*

Patrons and consumers have learned to love and expect the **gold standard**, and we deliver just that. Tasted side-by-side with leading competitors, our Broccoli Cheddar stands out for its **cleaner, cheese-forward flavor and more craveable texture**.

VISUAL

Soft yellow base with a coat-the-back-of-the-spoon thickness. Meaningful, intact broccoli florets and carrot particulates.

FLAVOR

Bold, savory, cheese-first flavor followed by mild, earthy, and naturally sweet vegetable pieces.

TEXTURE

Velvety-smooth mouthfeel with tender broccoli & carrot bites. No grit, no puree, no mushy fall-apart vegetables.
